Education

- **Degree in Medicine and Surgery**, issued by University of Florence. **Votation: 110/110 with distinction** (2005, October, 26th)
- **Diploma of specialised doctor in Anaesthesia and Intensive Care**, issued by University of Florence. **Votation: 70/70 with distinction** (2009, October, 21st)
- **PhD in Anesthetic and Surgical Sciences, University of Florence** (issued by University of Florence (2014, March, 7th))
- **Clinical Fellowship in Perioperative Spinal Medicine Combined Anesthesia/Spine at McGill University, Montreal, Quebec, Canada** (June 2015-June 2016)

International Education

- **Clinical Fellowship in Perioperative Spinal Medicine Combined Anesthesia/Spine at McGill University, Montreal, Quebec, Canada.** As part of the Fellowship Program I've been training for advanced regional anesthesia and in chronic pain. I developed clinical and technical skills for interventional pain management procedures, mainly focusing on lumbosacral spine. I've also participated in research projects about regional anesthesia, chronic pain and anesthesia for fast track abdominal surgery.
- **Clinical Observer at Department of Anesthesia of the Montreal General Hospital- McGill University- Montreal, Quebec, Canada in 2007 (06/20-10/18).** I was in Canada when I was 2nd year resident at University of Florence. There I worked as research fellow with Prof. F Carli in anaesthesia for fast track abdominal and orthopedic surgery and I learned the basics of ultrasound guided regional anesthesia.
- **Clinical Observer at Department of Anesthesia of the Hospital for Special Surgery - Weill Cornell Medical College-Cornell University, New York (NY) in 2008 (September 10th -October 28th).** During this time I also did rotation as Clinical Observer in Cardiothoracic ICU and Anaesthesia New York Presbyterian Hospital, Weill Cornell Medical College-Cornell University, New York (NY)

Job Experience

- **Chief of Anesthesia and intensive care Unit at Mugello Hospital, Borgo S. Lorenzo-Florence, Italy since April 2018, 16th to present.** At this moment I'm the chief of an Anaesthesia service and Intensive Care Unit with 6 ICU beds and 2 operating rooms, plus obstetric anesthesia service. We provide anesthesia for general, gynecological, orthopaedic and obstetric surgery and work as a multidisciplinary Intensive care with surgical, medical and emergency cases.
- **Helicopter Emergency Medical Service (HEMS) ,** since September 2021 I've started to work as emergency physician in the Tuscany Helicopter Emergency medical service doing rotations 2 times/month
- **Interventional Pain Management (Lumbo-sacral spine).** Since 2019, as consequence of the skills developed during my Fellowship at McGill University, I've started a cooperation with the chronic pain clinic of my Health Center, doing procedures for chronic low-back pain (transforaminal epidural, facet joints blocks, sacroiliac blocks, radiofrequency applied to Dorsal Root Ganglions and medial branches)
- **Staff Anaesthesia and Intensive Care since July, 22nd,2011 at Santo Stefano Hospital, Prato, Italy to April, 15th, 2018 .** Staff Anaesthetist and Intensive care physician for the Anesthesia and Intensive Care Unit, doing rotation both in Intensive Care and Operating Theatre. As Anesthetist I administered anesthesia for elective and emergency surgery in General, ENT, Vascular, Pediatrics, Orthopedic, Gynecological, Urological and Thoracic surgery. I've also been working in obstetrics. As Intensive care physicians I took care of emergency cases (10 ICU beds, 10 high dependency beds) and got trained especially in fiberoptic techniques, tracheostomy, renal replacement therapy, ultrasound-guided procedures.
- **Staff Anaesthesia and Intensive Care since January, 20th, 2010, to July, 21st, 2011 at "Maggiore" Hospital, Bologna, Italy:** I worked as Staff Anesthetist for the Anesthesia and Intensive care Service of the Bologna City Trauma Center. I've rotated all the surgical specialties in the hospital, for both elective and emergency cases, including General, ENT, Vascular, Neuro, Paediatrics, Orthopedic, Urological and Thoracic Surgery. I also rotated in the in-hospital emergency team.
- **Emergency medicine Physician in the extra-hospital health Service of USL 11 Empoli (Tuscany, Italy):** I worked for 3 months (since November, 1st 2009, to January, 15th, 2010) as Staff Doctor team leader of Advanced Life Support team.

Certificated Training in Regional Anaesthesia

- **First Course in locoregional Anaesthesia: upper and lower limbs**, issued by Traumatologic and Orthopaedic Center of Careggi Teaching Hospital, University of Florence, Italy, December 19-20/2011
- **Hands-on Cadaver Cadaver Workshop: Extremity and Ultrasound Guided Blocks**, held during the 30th Annual Congress of the European Society of Regional Anesthesia, Dresden, Germany, September 7-10/2011
- **Hands-on Intensive Course in ultrasound guided regional anaesthesia and vascular accesses**, held at “Istituto Ortopedico Rizzoli”, Bologna, Italy, May 16-17/2011
- **First Cadaver Workshop about Locoregional anaesthesia and analgesia**, issued by European Society of Regional Anesthesia (ESRA), held at School of Medicine of Barcelona, Department of Human Anatomy and Embriology, Barcelona, Spain, April 21-22/2008

Certificated training in Emergency Medicine

- **Advanced Trauma Life Support (ATLS) certification**, issued by American College of Surgeons, in Empoli, Italy, 2021 April, 24-26th
- **PreHospital Trauma Care (PHTC)**, issued by Italian Resuscitation Council in Bologna, Italy, 2018, November, 9-10th
- **Advanced Life Support (ALS)**, issued by Italian and European Resuscitation Council in Florence, 2018, October, 24-25th
- **Paediatric Advanced Life Support (PALS)**, issued by Italian and European Resuscitation Council in Bologna, Italy, 2018, October, 11-12th
- **Advanced Life Support (ALS) retraining certification**, issued by Italian Resuscitation Council (27/9/2012)
- **Pediatric Advanced Life Support (PALS) certification**, issued by Italian Resuscitation Council (10-12/6/2009)
- **Advanced Trauma Life Support (ATLS) certification**, issued by American College of Surgeons (27-29/5/2009)
- **Newborn resuscitation course**, organized by University of Florence and Meyer Teaching Hospital, held in Florence on 2009, March, 16-17th
- **Pediatric Basic Life Support-defibrillation (PBLSD) certification**, issued by Italian resuscitation Council, (2/20/2009)
- **Basic Life Support-Defibrillation (BLS-D) certification**, issued by Italian resuscitation Council

- **Pre Hospital Trauma Life Support (PHTLS)** certification, issued by Italian resuscitation Council (30/1-1/2/2008)
- **Advanced Life Support (ALS) certification**, issued by Italian resuscitation Council (13-15/2/2008)

Publications

Teaching experience:

- ATLS Instructor

- Teacher in many courses internal to the hospitals where I've worked. Main topics: Post-cardiac arrest syndrome, ultrasound-guided procedures in anesthesia and intensive care, regional anesthetic blocks, difficult airways, perioperative medicine, pain medicine.
- Teacher for the Italian Society of Anesthesia and Intensive Care (SIAARTI): Perioperative management of the elderly patients with femoral neck fracture – Florence, 2018, September
- Teacher in the course of Anaesthesia and Intensive Care Medicine for the Nursing Sciences Laurea, 2nd and 3rd year (16 hours of lessons) for the Academic Year 2013, organized by University of Florence
- Teacher in the course for Ultrasound vascular access, held in Bologna, “Maggiore” Hospital in May 2011, organized by Education unit of Bologna Health Agency, “Maggiore” Hospital
- Teacher in the course of Basic Ultrasounds, organized by the Emergency Unit of “Maggiore” Hospital in Bologna for “Medicines Sans Frontieres”, held in Bologna in 2012, May, 16th

Other personal informations:

I'm married, since June 2010, with my wife Alessandra, who is an Internal Medicine doctor working in my previous hospital (where I used to work before becoming chief of Anesthesia). We have two kids, Niccolò and Pietro, who are, respectively, 9 and 5 years old.

In September 1999, when I was 19 years old, I got the degree in Music at the “L. Boccherini” Musical Institute of Lucca, Italy.

I enjoy in playing piano, trombone, guitar and blues-harp. I used to be member of the speleology team of my town and in 2008-2009 I was member of the difficult environment medical team (especially canyons and caves).
